

H.R. 2415 and S. 886, the Senate amendments to H.R. 2415. This compromise measure also accommodates numerous requests of the administration. The House Committee on International Relations worked diligently to produce a bipartisan bill in concert with our colleagues on the Senate Foreign Relations Committee.

I thank the leadership of the Committee on Appropriations, and I urge my colleagues to fully support this omnibus measure.

The SPEAKER pro tempore (Mr. HANSEN). The gentleman from Florida (Mr. YOUNG) has 9 minutes remaining, and the gentleman from Wisconsin (Mr. OBEY) has 8½ minutes remaining.

Mr. OBEY. Mr. Speaker, I yield 1 minute to the distinguished gentleman from Wisconsin (Mr. GREEN).

Mr. GREEN of Wisconsin. Mr. Speaker, I thank the gentleman for yielding me the time and for his leadership on the issue that he and I are joined together on, and that is dairy.

I must reluctantly urge my colleagues to vote against this bill today

because of the dairy provisions that it contains.

It is real important to understand what has not happened today with the inclusion of these provisions. We have not done one thing to help dairy farmers in this Nation. We have not addressed the fact that most of the dairy farmers that we are losing in this Nation we are losing in the upper Midwest. In my home State, we are losing five each and every single day.

We have not addressed the fact that many of the Nation's largest co-ops are gouging our dairy farmers, underpaying them. And we have not taken one step away from the Soviet style dairy system that has ruled this country since 1937.

Because of what this bill does not do in dairy, I must reluctantly urge a no vote.

Mr. YOUNG of Florida. Mr. Speaker, I yield 1 minute to the gentleman from New York (Mr. WALSH), the very distinguished chairman of our Subcommittee on VA, HUD and Independent Agencies.

Mr. WALSH. Mr. Speaker, congratulations to the chairman. We did it. We

balanced the budget, as we said we would. We cut the national debt by over \$100 billion with this budget, as we said we would. And we did it without touching the Social Security trust fund for the first time in this half century.

Remember back in his State of the Union address, the President promised to spend 38 percent of the Social Security trust fund for the surplus for Social Security. We said, no, Mr. President, we want 100 percent of that surplus. And that is what we did. We gave our troops in the field a good solid pay raise, and they deserve it.

Let me say, Mr. Speaker, on dairy, it would be terribly wrong for us to harm 75 percent of the farmers, the dairy farmers in this country by supporting the Glickman-Clinton dairy proposal. It is wrong for the country. The Congress is on record opposing that legislation.

What is in this bill was supported by 380 Members of the Congress. This is good legislation. I urge my colleagues to support it.
